A River Runs Through It

We are fortunate to live near so much protected land, but we can do even more. As we prepare to care for our native landscapes and forests, we must take care of our rivers, streams and wetlands, too.

It’s easy to leave a legacy for the Ipswich River. Visit ipswichriver.org/leaves or call Development Director Tish Albrick at 978-472-2020 or e-mail her at t.albrick@ipswichriver.org.

If you’ve already included the Ipswich River in your will or estate plan, please let us know so we can thank you and welcome you to the Ipswich River Legacy Circle.
