

2020: Annual Report: A Reimagined and Record Breaking Year

THE PANDEMIC PIVOT

Admittedly, this year has been difficult for all of us and the River. The Pandemic changed everything. We zoomed like never before. We reimagined. We persevered. Above all we have been buoyed by the solace the river provides and by the encouragement and generosity from all of you.

The reimagined Paddle-a-thon was a particular highlight of the year. Paddle Raisers paddled, pedaled, rowed, walked, biked and even tubed. You made a huge splash for the river by making the 2020 Paddle-a-thon a recordbreaker in terms of overall participation, new people and money raised. In an era of uncertainty and closures, being able to pull this off is a testament to how important the river is to each of you. We couldn't be more honored for this outpouring of appreciation for the river we love.

Cornhole Champions Giron Koetsier (pictured) and Sandy Peacock generously donate their \$2,600 in winnings to the Ipswich River Watershed Association!

You also found new ways to support the river that provided an escape from the stress of the pandemic. Our friends at New England BioLabs (NEB), impacted by the pandemic as much as any other entity as a critical supply chain company, reimagined their beloved NEB Cornhole Tournament for COVID times. The fundraiser not only kept NEBsters' spirits up, it also brought a surprise gift to the river. The 2020 NEB Cornhole champions Giron Koetsier and Sandy Peacock each donated their winner checks to the Ipswich River Watershed Association. Thank you for this amazing and inspiring \$2,600 donation!

Paddle-a-thon teamwork makes the dream work. Mark Avenmarg (far right) participates for his 5th year, this time with Team Orchestra on the Hill. The Paddle-a-thon community grows as more teams get in on the fun.

We can't thank our members, volunteers and partners enough.

Your steadfast and extraordinary support helped to get us through the challenges of 2020 and has us well poised to leverage the opportunities in 2021.

The Ipswich River Watershed Association is the voice of the river. We work to make sure there is enough clean water for people, fish and wildlife, now and for years to come. Together with scientists, the community and volunteers, we come up with solutions to the river's problems and provide opportunities to connect with the river.

Leave a Legacy for a Healthy, Free Flowing River

"Fred and I have been canoeing on the Ipswich River for many, many years – now we enjoy doing so with our grand kids. Spending time with children on the river encouraged us to think about the future for them and for the river," says Susie Winthrop.

"As the Voice of the River, the Ipswich River Watershed Association works tirelessly to protect this precious, priceless resource." Susie continues, "We have recently arranged for a legacy gift to help ensure that the organization continues to fulfill its mission and hoping that our grandchildren and future generations will enjoy the natural beauty of a healthy, free flowing Ipswich River."

Join Susie and Fred by including what you hold dear in your estate plan. Talk with your financial advisor or go to ipswichriver.org/leave-a-legacy for sample language on adding a codicil to your will. Already made a provision for the river? Thank you! Please let us know by contacting Development Director Trish Aldrich at 978-412-8200 or taldrich@ipswichriver.org.

Freddy Winthrop, grandson of Susie and Fred Winthrop, canoes solo down the river. Their grandchildren and future generations will enjoy the natural beauty of a healthy, free-flowing Ipswich River, thanks in part to a legacy gift recently arranged by Susie and Fred.

Every friend of the River is special to us. Thank you.
