## BOAT USE FORM

I certify that I am a current member of IRWA or guest of a current member and am 18 or more years old. I also certify that I have read and agree to follow all of the Conditions stated below:

- I will assure that all of my guests follow all of the Conditions, and agree with the following matters for myself and my guests.
- All persons will wear personal flotation devices at all times when on the water, and any person aged 12 years or younger must wear a personal flotation device at all times while on the IRWA dock.
- Using a canoe or kayak is inherently risky, and there are dams and other situations on the river that present safety risks. I and my guests will act prudently and according to safe boating practices when on the water, and will exercise reasonable care while on IRWA property and trails. No "horseplay" is permitted.
- Neither I nor any guest of mine will make a claim against IRWA for any injury or damage which we may experience while using IRWA watercraft, and will indemnify and save IRWA harmless from any such claim.
- I will return all IRWA watercraft and equipment in the condition in which I received it, and will compensate IRWA for loss of or damage to any watercraft or equipment based on the lesser of: actual repair cost or: canoe/kayak - \$600; paddle - \$40 each; cushion - \$15; personal flotation device - \$50 each; lock/cable - \$25 each.
